Chairperson's Message

JOAN MEYER

Nine years ago, on March 29, 1999, the Dr. Noble Irwin Regional Healthcare Foundation announced its formation. A lot of changes related to health care in Southwest Saskatchewan have occurred during this time; hopefully most of them for the better.

Throughout this time the Foundation has assisted with the purchase of millions of dollars worth of medical equipment; facilitated the educational upgrading of frontline healthcare employees by awarding more than \$140,000 through the Educational Endowment Fund; raised \$7.5 million for the new Regional Hospital that opened this past year; and partnering with the

Swift Current Rotary Club built the Honourable Jack Wiebe Habitat for Healthcare housing a six room hostel and the Foundation's offices.

Equipment and training has been provided to every healthcare facility throughout the Cypress Health Region. The Foundation's Mission statement remains our primary focus as we assist with funding for: equipment and furnishings for healthcare facilities; training for healthcare workers; and patient services for the people of Southwest Saskatchewan.

The Foundation's immediate focus will be on developing endowments that will stabilize its ability to provide funding for future healthcare needs. Increasing the funding in the Educational Endowment; adding to the Equipment Endowment and starting an Operational Endowment will secure the Foundation's capacity as we move forward.

This will be my last report to you as the Chairperson of the Foundation. I have served in this role for the past nine years and as I complete my third term it is time to turn the reign over to my successors. I leave saying a heart felt

THANK YOU to:

- The citizens of Southwest Saskatchewan for the overwhelming support you have given the Foundation. Thank you for being so generous in planning and attending events in support of the Foundation, giving of your time and supporting our campaigns. It is your generosity, support and commitment to the Foundation that gives the Board the inspiration and energy necessary to meet the challenges.

- To the members of the Board of Directors and committee members for your commitment to the Foundation and the many hours of volunteer work you put in to make it succeed. It is only by your hard work and dedication that the Foundation has been able to accomplish so much in such a short period of time.

- To our hard working staff - to our CEO, Lyn Johnston for her incredible energy, her enthusiasm and for challenging us to keep with the task before us; to Peg Olfert for her friendly greeting on the phone or at the front desk and her ability to keep all the financial numbers balanced; and to Tara Douville (before she went on leave) and now Becky Warkentin for their assistance in programming and marketing.

Thank you for the opportunity and privilege to serve with this great, worthwhile organization.

Respectfully submitted,

Joan Meyer, Chairperson

Improving the Quality of Health Care

Making a Difference in the Southwest

Over the past nine years the Foundation's mission has been "to raise, administer and disburse funds to improve the quality of health care for the people of Southwest Saskatchewan." With small beginnings the Foundation has grown into an operation that administers hundreds of thousands of dollars for scholarships and equipment for facilities across Southwest Saskatchewan every year.

Equipment has been purchased for every facility in the Region and scholarships have been awarded to people from every area in the region with more items currently approved. Your donations are going towards improving the quality of your healthcare and make each facility the best of its kind in the province.

"Raise the Roof" Campaign

One of the major events for the Foundation this year was the "Raise the Roof" Campaign. Theresa Sokyorka joined forces with us to raise money for facilities throughout Southwest Saskatchewan. Theresa performed at four shows in Leader, Shaunavon, Maple Creek, and Swift Current. The funds raised from these concerts as well as other fundraising efforts went to fixing the roofs of the Leader Hospital, the Maple Creek Hospital, and the Prairie Pioneers Lodge in Swift Current

and buy much needed beds for the Shaunavon Hospital & Care Centre. In total the campaign raised \$44,777.15. \$41,600.00 of which went to facilities outside of Swift Current. Just another example of the people in the Southwest coming together to make a difference.

The Skills Enrichment Scholarship Program was created in 2002 and awards up to \$45,000.00 in scholarships annually. Funded by the Lee/Irwin Endowment and Dr. Moola Award, the scholarships provide funding assistance to front line employees of the Cypress Health Region who wish to upgrade skills and further their education thereby improving the quality of health care for the residents of Southwest Saskatchewan.

Caring for Generations

At the end of one's life everyone wants to leave something behind that can make a difference and be remembered for generations to come. Most people believe that this is only possible for those of great wealth, however this is not true. Anyone can leave a legacy you just have to know how to go about it.

Endowments are a way you can leave a legacy. There is more than one benefit to leaving an endowment. The tax benefit you will receive now or for an estate in future can be a very important reason for leaving an endowment. Naming something after your family that will carry on for generations can also be another benefit. However, knowing your dollars will grow and benefit people for years to come can be the greatest reason to leave an endowment. No matter what the reason endowments have far outreaching benefits that will last much longer than a one time donation for current expenses.

Establishing an endowment with the Dr. Noble Irwin Regional Healthcare Foundation will go towards improving the state of healthcare in Southwest Saskatchewan now and for many years to come. You will be contributing to one of the most important areas of people's lives, their health. Your endowment can be directed specifically toward equipment, scholarships or operations.

Volunteers

We want to thank our volunteers that have contributed their time and energy to make all that we have done here at the Dr. Noble Irwin Regional Healthcare Foundation a success. Many volunteers donate their time and energy to every project, building Habitat for Healthcare, fundraising activities, and running our gift shop and we could not continue without their support.

More volunteers are always needed, so if you want to have some fun and feel as though your time is well spent please let us know. We have many projects coming up in the near future as well as on going operations that continually need the help of willing individuals. The Foundation needs your help to continue delivering services to the people of the Southwest. Support and training will be provided. If you wish to learn new skills, meet people, enhance your résumé and can commit to being a volunteer call us today at (306) 778-3314 or toll free at 1-866-666-6123.

A Year in Review

Hospital Opening

With the Hospital opening this year the Foundation had many new exciting additions to unveil. The Multi-media room, the donor-recognition kiosk, the water wall and even the new gift shop. The Foundation has provided these attractions to serve the people of the Southwest and enhance the atmosphere of the hospital.

The Multi-media room was created to be a comfortable place where patients, visitors and staff could relax, and learn about the Foundation and the health care services at the Regional Hospital. A video on the Foundation was the first feature produced under the program sponsorship of the RBC Foundation.

The Donor Recognition Kiosk has been placed in the lobby of the regional hospital for greater visibility, so it can serve as thanks for all of the donors who have given to foundation and its campaigns over the years. We can not thank our donors enough and hope this provides further recognition for their efforts. It has an easy to use touch screen for anyone to operate and provides information on donor categories and in memoriums.

The water wall has also been set up to recognize donors that have made significant contributions to help build the hospital. This beautiful addition to the hospital lobby provides a distraction from the uniformity of the hospital. Enhancing the atmosphere of as well as honoring those that helped make the hospital possible.

The new Hospital Gift Shop was also opened this year. With a larger operating area it allows for a wider selection of gifts and necessities for those in and out of the hospital. The Gift Shop is run by our volunteers and volunteers from the Ladies Auxiliary. It provides a valuable service to the hospital staff and patients.

Habitat for Healthcare

Ribbon Cutting Ceremony with Scott Taylor, Joan Meyer, Gladys Martens, and Dave Hoffer

Construction started for The Honorable Jack Wiebe Habitat for Healthcare on January 15th, 2007 and by July 19th, 2007 the building was dedicated. A great deal of effort was put in by staff, workers and volunteers to make this facility a possibility. We would like to thank all of the people that volunteered their time, especially the Hutterite Brethren who donated countless hours of volunteer labour from start to finish.

Besides being a great place for the corporate office of the foundation to continue to deliver services, the hostel it holds has been a great addition to the Southwest community.

Signage and new Habitat for Healthcare building

Constuction of Habitat for Healthcare with the Swift Current Hutterite Brethren

On July 22nd, 2007 Rotary House hosted its first guests. The response to the hostel has been excellent, as it provides a comfortable place for people to stay that are receiving outpatient treatment or visiting family and friends at the hospital, and is reasonably priced. It has six-bedrooms and is complete with shared amenities such as washroom facilities, kitchenette and common living area and has a definite home like feeling. It is very convenient as it is directly across Saskatchewan drive from the Hospital. It is the first complex of its kind in the province outside the major cities.

If you would like more information or to reserve a room please phone 1-866-666-6123 or (306) 778-3314.

Lights for Life

Volunteers decorating the trees for Lights for Life

This was our 1st annual Lights for Life. People, business and organizations throughout the Southwest all chipped in to make it a great success. Many of the donations were made on behalf of friends, family or people that have passed away. Donations were also made to honour or recognize others. We would like to thank all of the people that supported this project especially:

- Stark & Marsh for their event sponsorship.
- Garth Melhoff from Melhoff Electric for supplying all of the expertise for the lights and helping with set up.
- The Webb Colony for creating all of the frames and special features.
- The Swift Current Hutterian Brethren for their assistance with setting up all of the lights. We thank you for your continued support and hope to make next year's Lights for Life an even bigger success.

Financial Report

Auditor's Report

To the Board of Directors
Of the Dr. Noble Irwin Regional Healthcare Foundation Inc.

We have examined the balance sheet of the Dr. Noble Irwin Regional Healthcare Foundation Inc. as at December 31, 2007 and the statements of operations and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Foundation board. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives revenue from donations and fund-raising conducted by itself and other organizations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to fund-raising revenues, surplus for the year, assets and fund balances.

In our opinion, except for the effect of adjustments, if any, which might have been determined to be necessary had we been able to satisfy ourselves concerning the completeness of the fund-raising referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2007 and the results of its operations and the changes in cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

DR. NOBLE IRWIN REGIONAL HEALTHCARE FOUNDATION INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2007

1. Operations

The purpose of the Foundation is to raise, administer and disburse funds to improve the quality of health care for the people of Southwest Saskatchewan. The Foundation was incorporated under the Non-profit Corporation Act of Saskatchewan on October 31, 1998.

2. Significant accounting policies

These financial statements have been prepared on the accrual basis of accounting. The more significant accounting policies are as follows:

(a) Fund accounting

The accounts of the Foundation are maintained in accordance with the principles of fund accounting. For financial reporting purposes, accounts with similar characteristics have been combined into the following major funding groups:

i) Operating fund

The operating fund reflects the revenue and expenses related to achieving the mission of the Foundation including administrative expenses, unrestricted donations, and unrestricted contributions.

ii) Restricted fund

The restricted fund reflects revenues that are designated for specific purposes by the contributor and the related expenses.

iii) Endowment fund

The endowment fund reflects permanent contributions. The income on the endowment fund is recorded in the restricted fund and is to be used for restricted purposes.

(b) Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions as follows:

Restricted contributions are recognized as revenue of the appropriate fund in the period it is received or receivable. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

(c) Inventory

Inventory is valued at the lower of cost and net realizable value.

(d) Investments

All investments are classified as held-for-trading. The fair market value of the held-for-trading investments was determined by reference to quoted market prices.

(e) Capital assets

Capital assets are recorded at cost and are amortized on a declining basis as follows:

Displays	20%
Office equipment	20%
Buildings	4%

(f) Contributed services and goods

The operations of the Foundation utilize services of many volunteers. Since these services are not normally purchased, and because of the difficulty in determining the fair market value of donated services, the value of these donated services is not recognized in the financial statements, except as they relate to the construction of the habitat for healthcare facility.

(g) Income taxes

The Foundation is a registered charity within the meaning of the Income Tax Act and is; therefore, exempt from income taxes under Section 149(1) of the Act.

3. Inventory

Inventory is comprised of fundraising supplies, communication supplies, office supplies and gift shop inventory for resale.

4. Pledges receivable

Pledges receivable relate to the capital campaign for the new regional hospital and are comprised as follows:

	2007	2006
Pledges receivable	\$ 646,283	\$ 1,035,511
Less portion due in subsequent years	358,520	633,397
	<u>\$ 287,763</u>	<u>\$ 402,114</u>

The balance of the pledges receivable are due as follows:

2009	\$ 262,369
2010	96,151
	<u>\$ 358,520</u>

5. Long-term investments

	2007	2006
Portfolio investments – held-for-trading at fair market value	\$ 633,911	\$ 691,870

6. Capital assets

	Original Cost	Accumulated amortization	2007 Net book value	2006 Net book value
Land	\$ 35,000	\$ -	\$ 35,000	\$ 35,000

	<u>\$ 677,183</u>	<u>\$ 22,133</u>	<u>\$ 655,050</u>	<u>\$ 44,304</u>

7. Restricted fund

Restricted funds are comprised as follows:

	2007	2006
Externally restricted	\$ 5,647,797	\$ 7,037,215
Endowment funds	497,942	430,577
	<u>\$ 6,145,739</u>	<u>\$ 7,467,792</u>

8. Financial Instruments

(a) Significant terms and conditions

There are no significant terms and conditions related to financial instruments classified as current assets or current liabilities that may affect the amount timing and certainty of future cash flows. Significant terms and conditions for the other financial instruments are disclosed separately in these financial statements.

(b) Fair value

The following methods and assumptions were used to estimate the fair value of each class of financial instrument:

- The carrying amounts of these financial instruments approximate fair value due to their immediate or short-term nature.
 - o Cash and temporary investments
 - o Accounts receivable
 - o Accounts payable

- For long-term investments, the fair value is considered to approximate quoted market values.

9. Reclassification of prior year figures

Certain of the prior year figures provided for the purposes of comparison have been reclassified in order to conform to the current year presentation.
